Stucco work to include but not limited to:

Scope: This will include approximately 2,166 SF of stucco work. The stucco is to be a smooth finish with added acrylic throughout, to minimize cracking.

Approximately 1,766 SF will be a faux finish as selected by the owner. To view a local example of the color desired set the entry of the Stockton Bridge Grille, Capitola. To a view of this color can be seen at www.stocktonbridgegrille.com

The balance of the 400 SF shall be left ready for paint.
